

## THE MODERN KITCHEN IS AS CHIC AS SUSTAINABLE

Our Zero Waste products introduce themselves

With ever&again products, we make it particularly easy for your customers to get into the zero waste lifestyle. We focus on well-designed and practical products that elegantly replace disposable items such as aluminum and plastic foil, paper and plastic bags, and freezer bags.

Like all our products, our novelties are stylish, sustainable, last for years and:

- ◆ food safe & BPA free
- ◆ easily washable & suitable for washing machine
- ◆ handmade in Germany, primarily in the REHA workshop Frankfurt

With ever&again, everyone who wants to live more consciously and sustainably can make a big contribution to a more waste-free world!

## FOOD HOOD

Our food hoods are the sustainable alternative to disposable plastic, such as aluminum foil and cling film. At the same time they offer a unique and practical solution to keep food fresh in the refrigerator..

- Set of three hoods: approx. 13, 18, 23 cm in diameter
- Outer material: 100% cotton
- Inner lining: ProCare ®

## GRANDE HOOD

Our extra large hood is the ideal complement to our hood set, because it is perfectly suitable for all larger bowls or cake pans. This also allows you to take the fresh homemade sa-lat directly to the barbecue at your friends.

- Hood: about 30 cm in diameter
- Outer material: 100% cotton
- Inner lining: ProCare ®

## AUFLAUF HOOD

Our bowl covers are now also available for square containers, such as casserole dishes. Another way to replace disposable items like cling film and aluminum foil. Perfect to keep all your casserole creations fresh in the fridge for a long time.

- Available in: S approx. 28 x 22 cm and L approx. 36 x 28 cm
- Outer material: 100% cotton
- Inner lining: ProCare ®

## FREEZER BAG

A great way to curb the use of plastic wrap is our new Freezer Bag. For convenient storage of homemade pizza or other larger treats. You can prepare all kinds of tasty treats and freeze them in the freezer bag without any packaging waste.

- Dimensions: approx. 36 x 33 cm
- Outer material: 100% cotton
- Inner lining: ProCare ®

## BREAD BAG

The ultimate 3 in 1 bread basket for all who love fresh bread, but would like to do without the paper bag at the bakery. Put the bread in, simply pull the cord closed, fold it over into a chic bread basket at home and simply close it again for storage.

- Bread basket: approx. 25 cm in diameter
- Outer material: 100% cotton
- Inner lining: 100% linen

## BREAD BAG LINEN<sup>2</sup>

Our reversible linen bread baskets are doubly delightful. Their high-quality linen inside and out makes them easy to flip over, bringing two great looks to your home! Of course, bread and rolls stay fresh in them just as long as in our other Bread Bags.

- Bread basket: approx. 25 cm in diameter
- Outer material: 100% linen
- Inner lining: 100% linen

## BAGUETTE BAG

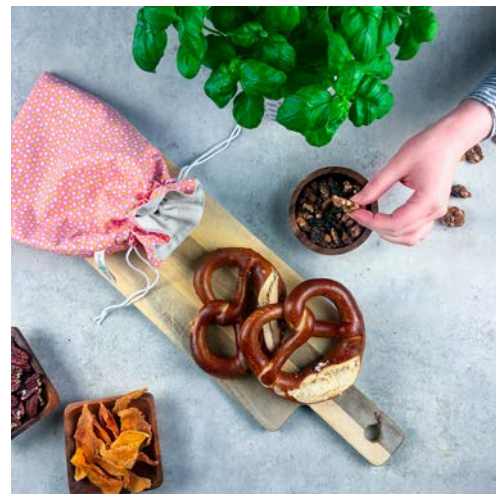

For the sake of the environment you can now transport your freshly bought baguettes in our Baguette Bags and serve them afterwards. The Baguette Bag is fair and sustainable handmade in Germany. Thanks to its material, the Baguette Bag is a sustainable alternative for the disposable bakery bag.

- Size: approx. 24 x 62 cm (WxH)
- Outer material: 100% cotton
- Inner lining: 100% linen

## BAKERY BAG

Our Zero Waste Bakery Bags are the sustainable and washable alternative to disposable bakery bags or plastic bread boxes. The inner fabric is made of linen and is therefore perfect to keep your baked goods nice and fresh. You can easily close the Bakery Bag by pulling the cord at the top.

- Size: approx. 20 x 28 cm (WxH)
- Outer material: 100% cotton
- Inner lining: linen

## SNACK BAG

So much prettier and more eco-friendly than plastic bags, these cute bread bags are great for a snack or your bread on the go. Use them to store food, freeze it or take it to the market and buy some wine grapes in it. They can be closed by a strong velcro closure.

- Set of 2: small: 19 x 12 cm  
large: 18 x 20 cm (WxH)
- Outer material: 100% cotton
- Inner lining: ProCare ®

## VEGGIE BAG

Shopping for fruit and vegetables is now chic and sustainable at the same time! Whether across the street at the weekly market, the unpacked store in the neighboring town or your favorite supermarket around the corner. Our new vegetable bag will quickly become your constant companion.

- Size: 30 x 40 cm (WxH)
- Material: 100% cotton

## UTENSILROLL

With our ever&again Utensil Roll you have your own cutlery always ready to hand and can enjoy delicious food everywhere without a guilty conscience. Whether the office break, the meal at the market stall on the road, the festival or the mountain tour, our cutlery roll accompanies you to every adventure.

- Size open: 28 x 35 cm, closed 6 x 25cm (WxH)
- Outer material: 100% cotton
- Inner lining: 100% linen

## COTTON ROUNDS

These little trinkets replace cotton pads and are a hit in every bathroom. Without harming the environment, they help you remove your makeup every day, for example, and can of course be washed and used again and again.

- 7 pieces with linen bag
- Outer material: 100% cotton
- Inner lining: 100% cotton molton

## Attention retailer!

# Order at ever&again directly in the online store!

The registration for this is very simple:

1. on the website <https://www.everandagain.com/de/> go to the customer login (top right)
2. create a new customer account (do not forget your company name and VAT number)
3. send a short mail, in which you confirm yourself as a dealer
4. we check the data and activate the dealer login for you
5. ready! Order now what your dealer heart (& your customers) desires

After receipt of the order, we will automatically send an invoice by mail.

For special requests or concerns, such as the desire for other patterns or a higher number of products than is displayed in the store inventory, we are always happy to receive direct contact.
